School Activities

We Know: To him who knows to do good, and does not do it, to him it is sin.

James 4:17

Steve knows his “floppy hat” is reserved for life’s most informal times. This hat, which would look good on a fisherman by the lake, is not to be worn to church or school. So, when he grabbed it one morning on his way out of the house to catch the school bus, he knew he was breaking a rule.

Parents understand these kinds of battles. We recognize that our children will test our rules, and we are not surprised when they challenge us. They know they aren’t supposed to watch certain TV programs or stay out too late or use a disrespectful tone of voice. Yet they still do. This is not unlike the attitude we sometimes take with our heavenly Father. We know what is right and wrong, yet we test God. We know it’s wrong to speak disparagingly of others. We know it’s not right to neglect those in need. We know we should witness to our neighbor. We’ve sensed in our hearts the conviction of the Holy Spirit. We know that when the Lord returns we should be faithfully serving and obeying. How it pleases God when we act on what we already know.

“One step forward in obedience is worth years of study about it.”
