# School Activities

Under Surveillance: "Can anyone hide himself in secret places, so I shall not see him?" says the Lord. *Jeremiah 23:24*

Imagine that you're visiting a foreign country when you realize that you're being followed. Your every move is watched. Your every conversation is monitored. Your hotel room is bugged and the restaurant tables are electronically rigged to pick up every word you speak. It's as if at all times someone wants to know what you are doing, saying, thinking and planning. You are constantly under the scrutiny of another, and it seems there is no place to hide.

Fortunately, most of us don't know what it's like to live under that kind of surveillance. Yet in reality, we do live every moment of every day under the watchful eyes of the Lord. He sees everything we do; He hears everything we say; He knows every thought we think.

For those who love and trust the Lord, this is an awesome yet comforting truth. But for those who are determined to resist Him, it's a different story. Many people seem to get along well without God. As the one who created the universe, He is God. He sees all, he knows all. You can't hide from God. "Live today as you will wish you had lived when you stand before God."
