Love Letters: Walk in love, as Christ also has loved us. Ephesians 5:2

To "walk in love" means that we continually do the little acts of kindness that can make life bearable and better for another person. One practical way to express our love costs only the price of a postage stamp – plus paper, ink and a little thought. All of us have felt the nudge to write a letter – an unexpected note that could brighten another person's day. Perhaps it is a note of appreciation, an expression of concern, or a compliment for a task well done. Too often the letter goes unwritten, and the impulse is unexpressed. We convince ourselves that we don't have time, or that our letter won't matter.

A young minister cherished a note he received from a busy architect in his congregation. The letter said simply "your sermon met me where I was on Sunday – at the crossroads of confusion and hurt. Thanks for preaching it!" Those words met the pastor where he lived – at the intersection of discouragement and pain – and encouraged him to keep on in the ministry. The note took less than 5 minutes to write. Can you think of someone who needs encouragement, thanks, or a reminder that you are praying for him or her? "walk in love" to the mailbox today.

One little act of kindness can have multiple results!"
