School Activities

The Value of a Child: Whoever receives one of these little children in my name receives me. Matthew 18:5

The young girl lived halfway around the world in war-ravaged Cambodia. She had been abandoned to the streets, destined to a life of much poverty and little love. That was before Paul and Linda Smart heard about her and sought to adopt her. "We did a lot of prayer," Paul told a newspaper reporter.

For more than two years, the Smarts dedicated themselves to bringing this girl, whom they named Caitlin, to their home in Holland, Michigan. They filled out mountains of paperwork. They even took one hopeful trip to Cambodia in 1996, only to come back empty. But they kept praying. Late in 1977, Paul took another trip, spending several frustrating weeks trying to gain custody of Caitlin. Finally, Linda got a phone call from Paul. He asked, "Guess who I have with me?" and his family erupted in cheers. Dad and daughter arrived home on Christmas Eve.

What a reminder of the pricelessness of a child! Each one is worth whatever it takes to care for him or her properly. Whether the child is a member of our family or a child we don't know – each is precious to God.

"Your biggest investment may be helping a little child."
